Hi Patrick,

Just wanted to follow up with you on this. Ashley left you a voicemail indicating that Thursday next week is very constrained – Rob has some meetings that he cannot reschedule. Any chance we can try a different day? Tuesday?

Hello County Team,

We would like to meet next week with you on Thursday after 10:00 to discuss logistics of the response to comments. Please let me know if this works for you guys. I know we have a constraint because Ryan is leaving the following week. Dudek has already started to catalog the comments and organize them. Please confirm that all the final comments received yesterday will be online, so Megan can download them.
